# Foreword

The sands of time have shifted. This, the FRACOTRASCO for 1960, marks the end of another phase in our lives. As we bid good-bye to these hallowed halls, that have meant so much to us in the past four years, let us pause to look back at some of the activities and organizations that played such a large part in our lives during that time.

To our faculty, parents, school mates, and friends,

the class of 1960 leaves this yearbook as a source of pleasure to you in your leisure time reading.

To the graduating class we offer this record of our last years at F. C. T. S. hoping that at a future date it will bring back pleasant memories and serve as a connecting link between the past and future. Its worth can only be determined by you, the Reader.

The Editors

We hope that this yearbook will continue to remind you of your obligations to your Alma Mater, yourself and, above all, mankind, to foster the true spirit and brotherhood through the media of education and your own integrity.

# Dedication-- To Our Retired Teachers

MR. MATTHEW A. JOHNSON

MRS. CARRIE BLACKNALL YOUNG

There is no way to aptly repay you for the educational services that you have rendered to the men, women, boys, and girls of Franklin County. We feel ourselves fortunate to have had you serve on the staff at Franklin County Training School. As you traveled along the Educational Highway of Life we are sure that others as well as we have been made better, by traveling along the same highway under your guidance.

Of you we feel that Charlotte Cushman and our Supervisor, Mrs. M.H. Davis, amply expressed our thoughts in these words: "To me it seems as if when God conceived our world, that was poetry; He formed it, and that was painting; and then, varied and colored it, and that was sculpture. He crowning all, He peopled it with living beings, and then, was the grand, divine, eternal drama.

Among those people were you, MRS. YOUNG and MR. JOHNSON. You, as well as all others like you, affect eternity, and you—as the rest of us—can never tell where your influence stops. May we continue to feel your influence as we "read the beaten pathway from day to day."

We are happy to dedicate our Yearbook to you.

## Class Poem

Here summoned by tradition sweet  
For higher goals we hope to greet,  
A band of 48 tired and true  
And wish one and all a sad adieu.

Long, long the way our feet have come,  
And thorny, too, and rough to some  
But now the goal salutes the gaze  
The last of many high school days.

And as we view the fading past  
We think of the wonderful days that fled so fast.  
Full of the desires that we hope someday will be ours.  
Bulging our hearts like budding flowers.

We are sorry to be leaving this school  
But we have obeyed the golden rule  
Now as the curtains are slowly drawn  
Our minds engross those we have known.

Arthur McCowan

## Class Song

MEMORIES  
(Tune: Memories)

Our School days are all gone,  
And we fondly linger here,  
For each joy that we have known,  
'Tis sad to part from friends so dear.

Chorus

F. C. T. S., F. C. T. S., School we love so dear,  
O'er the years you're opened our eyes and we'll ne'er forget you,  
Good old days, Happy days, Among our friends and foes,  
We're leaving you now, but the love we have for you,  
No one will ever know.

Long will our hearts recall each joy,  
That bound us in friendship here,  
For time can never destroy,  
The light of mem'ry burning clear.

La Verne Robinson

# Class History

It is hard to believe that four years ago this class of 1960 was just a group of freshmen. Green, young freshmen indeed—possessing nothing but some native ability, a few brains, much conceit, and full of giggles. However, when given our first examination our teachers realized that we were gradually making progress. Nevertheless, as one views this class of 1960 he readily sees a group of noble, sensible, attentive seniors, ready to face whatever problems that confront us.

The first big problems we attacked after entering high school were getting ourselves adjusted to the new rooms, and getting acquainted with new classmates coming from different surroundings. The changing of classes was quite confusing but after a few weeks we were straightened out, and ready to settle down for four long years. Since we were expected to be dumb, we were not worried over the fact, but instead we put our confidence in our president who with our sponsors Miss N. A. Turner and Mrs. G. H. Fitz, helped us to rise from the class of the ignorant, the green, and the insignificant.

Before the end of the first semester, there were many changes in our number. Some fell by the wayside, a few transferred to other schools, and one newcomer joined our class—Chester Pace. This made our enrollment 74.

As full pledged members of high school, we really made our presence felt by joining and participating in every activity sponsored in the school. Mary C. Jones and Willie Bell Morgan ran for "Miss F. C. T. S." We were credited with sponsoring the first "Barn Fire and Dance" in our effort to raise funds for homecoming.

Since we were new to each other, the election of class officers did not affect our voting. Annie P. Stallings was elected president; Dorothy Marie Jacobs, Vice President; Gracy Ann Fogg, Secretary; and Willie Bell Morgan Treasurer. Our Student Council members were: Mary L. Williams, Janice Yarborough, James W. Davis, and Joseph Joyner. We were well represented in all phases of sports. Basketball: Barbara A. Strickland, Janet Kelley, LaVerne Robinson, Olivia Alston and Dorothy M. Jacobs on the girls' team. Harold Stallings on the boys' team. Football: Leroy Smith, James McArthur Alston, McArthur Williamson, Thurmond White, Bobby Branch, Cary Green, Earl Wilkins, and Arthur McCowan. Baseball: John C. Hayes, Bobby Branch, and James McArthur Alston.

As our first year came to a close, we saw the wisdom in the saying, "Where ignorance is bliss, 'tis folly to be wise."

## SOPHOMORES

We returned in August as sophomores, wiser from the experience afforded us our Freshman year. Although a few failed to return, the majority came to take their places in the classes and corridors of dear old F. C. T. S. Our sponsors were the same—Miss Turner and Mrs. Fitz.

To show that we meant business from the start, we sent out participants to the following activities: 4-H Club—LaVerne Robinson, our secretary and the newly elected 4-H State Treasurer, Barbara A. Strickland and Irma Chavis who won top honors in the Bread Making Demonstration. They each received a twenty-five dollar war bond for this achievement. In sports: Harold Stalling, Dewitt Perry, Janet Kelley, Olivia Alston, Barbara A. Strickland, and Dorothy Jacobs represented us on the girls' basketball team. On the football team were McArthur Williamson, Arthur McCowan, Orse Walters, Bobby Branch and Leroy Smith. Our representatives for the Student Council were Mary L. Williams, Janice Yarborough, James Davis and Joseph Joyner. Other organizations that we joined were the Choral Club, Cheering Squad, Varsity Club and the band.

Janet Louise Kelley reigned as "Miss F. C. T. S." for the school year 1958-59.

Our class officers were—"A" Division: Joseph Joyner, President; James W. Davis, Vice President; Irma Lee Chavis, Secretary; and Janet L. Kelley, Treasurer. "B" Division: LaVerne Robinson, President; Robert Mitchell, Vice President; Evelyn Lemay, Secretary; and Vardine Wortham, Treasurer.

Under the supervision of Miss Turner, we sponsored a Thanksgiving play, "The First Thanksgiving." Mrs. Fitz sponsored the Christmas play, "The Night Before Christmas."

Our sophomore year, filled with endless activities and enjoyment, finally came to an end. Once again we bade farewell to old F. C. T. S. and eagerly anticipated the coming of our Junior year and the Prom.

## JUNIORS

Due to an old educational custom, Sophomores usually become Juniors, and our promotion made our sense of importance increase out of all due proportion. But as joy is inevitably accompanied by sadness, many of our classmates did not return to share with us the glory and thrill of this milestone.

## Class History

Suddenly we found that another change had taken place in our important lives. We had lost one of our beloved sponsors—Mrs. C.H. Fitz. We missed her very much, but we did not have time to mourn our loss. We gained another, Mrs. I.W. Foster. This was a year of hard work. To maintain our positions, we had to study; but in addition, we had to raise funds for our Prom.

We organized with the following officers—"A" Division: Otis Dunston, President; James W. Davis, Vice President; Dorothy Jacobs, Secretary; Irma Lee Chavis, Assistant Secretary; and Mary C. Jones, Treasurer. "B" Division: Leroy Smith, President; Arthur McCowan, Vice President; LaVerne Robinson, Secretary; and Barbara Ann Strickland, Treasurer. Members of the Student Council were: Barbara Ann Strickland, Janet L. Kelley, James W. Davis and James Otis Wilson.

The extra-curricular activities still held the same fascination for most of the former members. One of our biggest thrills was having one of our charming young ladies, LaVerne Robinson, chosen "Miss F.C.T.S." for 1958-59.

We were indeed a proud and happy class as we looked forward to entertaining the Seniors at the Prom. Naturally we felt that this was to be the best one yet. Our theme was "Fairyland Romance" and with our honored guest, we danced to the wonderful music of the "Hill Toppers" from Chapel Hill, N.C. This was the night of all nights—never to be forgotten.

### SENIORS

Finally we've made the grade and find ourselves in the senior class, taking ourselves more seriously than ever before. This is the goal that we have been trying to reach for twelve long years. At first, we were saddened by the loss of both of our former sponsors and we missed them very much, but we found in Mrs. V.H. Levister and Mrs. C.H. Hawkins the guidance, sincerity and friendship that we sorely needed to lessen the blow.

Our class officers to guide us on our last journey are: Otis Dunston, President; Chester Pace, Vice President; Evelyn Lemay, Secretary; Janet Kelley, Assistant Secretary; James Otis Wilson, Treasurer.

As Seniors we had the privilege of going to Jamestown, Va. to see the first permanent settlement in the new world. We had a swell time on this trip. Everyone that went enjoyed themselves very much.

On October 23rd, we took a trip to Greensboro, N.C. to attend "Senior Day" at the Agriculture and Technical College. While there, we viewed the many buildings with exhibits in each and attended the football game, played between Winston-Salem Teachers College and A.C.T. Of course, A.C.T. won.

In November, we were represented at the Shiner's Debutante Ball by Elizabeth A. Williams, Janet Kelley, Willie Bell Morgan and Vardine Wortham. Their escorts were McArthur Williamson, James W. Davis, James Otis Wilson and Earlie Brodie. The Ball was held on the 20th.

For the last time, we participated in the following activities:

Majorettes: Bertha Edgerton and Willie B. Morgan.

Band: Walter L. Pettiford, Drum Major; LaVerne Robinson, Vardine Wortham, Cary Green.

Football: Leroy Smith, Earl Wilkins, McArthur Williamson, Arthur McCowan, McArthur Alston, Bobby Branch and Cary Green.

Basketball: Janet Kelley, Janice Yarborough, Dorothy Jacobs, Barbara Strickland, Gracie Clifton, Olivia Alston and Irma Chavis. Boys—Harold Stallings.

Choral Club: Mary L. Williams, Janice Yarborough, Della O'Neal, Ella O'Neal, Elizabeth A. Williams, Janet Kelley, Harold Stallings, Leroy Smith, McArthur Williamson, James Otis Wilson, Annie Trader, Bessie Perry, LaVerne Robinson and Irma Chavis.

Cheering Squad: Vardine Wortham, Captain; Irma Chavis, Janice Yarborough, Elizabeth E. Williams, Evelyn Lemay, Gracy Fogg and Barbara Ann Strickland.

Science Club: Mary Williams, Evelyn Lemay, Elizabeth E. Williams, Barbara Strickland, LaVerne Robinson and Otis Dunston.

Student Council: Janet Lynch, James W. Davis, LaVerne Robinson, Otis Dunston, Gracy A. Fogg, Janet Kelley.

This last year of study has been rough and bumpy, but the view of the years ahead is glorious and majestic. Through intensive study we have learned many things: First, education is such a wonderful and continuous thing that you cannot get enough of it in twelve years. Second, that we know very little and we are just beginning to learn. Third, anything worth doing is worth doing well. Fourth, "He who has wisdom has hope." For these and many other things, we are deeply grateful and indebted to you, dear old F.C.T.S.

# Prophecy

One cool, crisp, spring morning we found ourselves walking through the woods. Thoughts were racing through our tormented minds, for our class had chosen us as prophesiers, but we are not prophesiers, so how could we foretell the future?

We sat down and leaned our heads against a tree and started concentrating on what the future held for our classmates. Suddenly we felt as if we were going on a long journey. We saw the years passing by—1964—1966—1968, and then our journey ended—we were living in the year of 1970.

The scene about us was almost as familiar as it is today. We found ourselves in the corridor of dear old F. C. T. S.; at the moment a door opened and whom did we see, Dr. OTIS DUNSTON and JANET LYNCH, visiting school physician and nurse of Franklin County Training School.

Too bad ARTHUR McCOWAN and DELLA O'NEAL got married and quit their jobs as census takers of New York City, but we did find out that the hilarious McARTHUR WILLIAMSON has his own panel, "What's My Line," in New York over C. B. S. TV. Assisting him are CHESTER PACE, JOE WRIGHT and JAMES LEWIS. Just the other day HAROLD STALLINGS was their guest. His line was designing women's bathing suits in his spare time as he has become a professional basketball player.

We visited W. K. K. L and were just in time to see James and the Hurricanes consisting of: JAMES OTIS WILSON, EARLIE L BRODIE, and WALTER PETTIFORD. Guess what they were picking off? "Red River Rock." Their guest star was EVELYN LEMAY, popular vocalist who had just returned from Hollywood. They told us LaVERNE ROBINSON is now a great concert pianist in Atlantic City. Another Liberace huh?

Did you know that WILLIE BELL MORGAN and JAMES OTIS WILSON are thinking about marriage?

It is regrettable that Uncle Sam sent for BOBBY BRANCH, EARL WILKINS, and JOEL ALSTON to come and stay with him for a while. They are stationed in Russia where they are encouraging sports.

GRACIE FOGG, and IRMA CHAVIS, are secretaries in California, they are working in the same office, they are very good in shorthand.

ELIZABETH A. WILLIAMS is an artist for *Ebony* Magazines in Hawaii. Later these artists accompanied her: JOSEPH JOYNER, ANNIE JOHNSON and CORNELIOUS HAYES. They are showing all the *Ebony* fans their talents.

In December we visited DOROTHY JACOBS, GRACIE CLIFTON and JANET KELLY who are teaching dancing lessons in Canada, their specialty is "Mashed Potatoes." They informed us that JOEL BOWDEN was teaching Physics at Columbia University.

LEROY P. SMITH and CARY GREEN are sports leaders in Los Angeles, California. They are making their way to the top as coaches.

DORA V. PERRY is head beautician of a New York School of Beauty in Long Island, N. Y.

Now hear this! MARY L. WILLIAMS and JANICE YARBOROUGH are working in Club 99 in Alabama. They are real gone.

ANNIE TRADER has her own private school in Texas. Assisting her are OLIVIA ALSTON, BERTHA EDGERTON and two new girls from Texas. They are highly respected in that part of the country.

JAMES DAVIS has a wonderful home in Hollywood. He has two kids, and owns two clubs. He is also a boxer and is married to one of Hollywood's famous stars

Now what do you suppose is next? We see, if our eyes don't fool us, WELDON EDGERTON has a tailor shop in Miami, Florida making women's clothes. His models are: BESSIE PERRY, ELIZABETH E. WILLIAMS and ELLA O'NEAL—working faithfully.

BARBARA STRICKLAND and LENORA DUNSTON are Laboratory Technicians in Chicago, Ill. They are doing a fine job. Barbara is also married to a Doctor in Chicago.

## Our P.T.A.

Our P.T.A. is one of the many such local organizations that seek to unite the forces of home, school, and community in behalf of children and youth. One of its objectives is to bring into closer relation the home and the school, that parents and teachers may cooperate in-

telligently in the training of the child. No other agency is so well fitted for creating the mutually sympathetic attitude between the parents and the teachers, working on behalf of the child, as is the well-organized and well-conducted parent-teacher association.
